DETAILED ACTION

Election/Restrictions

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions, which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 16-34 are, drawn to composition for treating skin and hair and method of treating hair or skin.

Group II, claim(s) 35-37 are, drawn to method of increasing production of protein in human cells.

2. The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: the special technical feature of the group I invention is the composition comprising biotin and one glycoprotein and using this composition for the treatment of hair or skin, while the special technical feature of group II is increasing the production of protein in human cells by applying to the skin and hair using the composition having biotin and glycoprotein. The special technical feature of group II, which is increasing the production of protein in human cells, is not present in group I, unity of invention is lacking.

3. A telephone call was made to Greg Hill (Reg. No. 31,369) on 3/10/03 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the

Art Unit: 1615

currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
